## **CUSTOMS REGULATIONS & CUSTOMS BOND**

**The Canadian Waste & Recycling Expo has appointed Commerce Customs Brokers Ltd. As the official show customs broker. Please fill out the enclosed request form for official customs forms.**

Equipment and exhibits for the show may be brought in free of duties and taxed on a temporary basis, but subject to a deposit equal to the duties and taxes normally levied on them. The Official Customs Broker has made arrangements with Canada Customs for a bond to cover all importations on this show. **Exhibitors using their own customs broker will have to arrange their own bond or cash deposit with Canada Customs.**

It is imperative that Canada Customs invoices be mailed at least **two weeks** prior to shipment of goods since Canada Customs will not permit entry of goods to the building without an invoice.

***The Official Show customs Broker will provide the following services:***

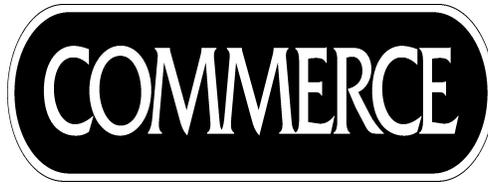

- Post the required bonds and securities with Canada Customs
- Clear your materials through Canada Customs
- Co-ordinate delivery to the facility on the appropriate move-in days
- Provide on-site staff to advise and assist you from opening to closing of the show
- Prepare export documentation and bills of lading
- Co-ordinate outgoing transportation of exhibition materials
- Arrange customs clearance return for surface freight
- Offer their "official Common Carrier" Package which will provide you with free advance Storage for one month prior to the show with no hidden costs

**For the duration of the event**, the exhibit premises are a bonded area. Therefore, no display items may be removed from the show area without the knowledge and consent of the Official Show Customs Broker, Canada Customs and Show Management.

**At the close of the show:** Normal procedures at the close will require exhibitors to repack and label their own shipments. Goods to be displayed at another show may be transferred in bond or held in bonded storage for a maximum of two years.

For Official Custom Brokers forms, please fill out the enclosed request form from Commerce Customs Brokers & Freight Forwarders Ltd.

Operations Manager

File #CSPL 1871  
August 1, 2006

Dear Ms. Woodburn,

I have received your letter advising of your event the Canadian Waste & Recycling Expo to be held at the International Centre over the dates of November 29<sup>th</sup> - 30<sup>th</sup>, 2006.

I am pleased to advise you that the use of Tariff Item 9993.00.00.00 is being extended to you for this event. Goods imported temporarily under tariff item 9993.00.00.00 cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest Customs office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

Also, use of the Border to Show system is authorized for this event.

I recommend that any exhibitors coming to this event from outside of Canada, be provided with a copy of this letter for presentation to Canada Customs Officials at time of entry into Canada.

This letter does not preclude the necessity for possession of appropriate documentation to satisfy Immigration requirements at time of arrival in Canada.

I note that you have appointed Commerce Customs Brokers "Official Customs Brokers" to effect Customs clearance of goods destined for your event.

I wish you every success with your event and if I can be of further assistance, please contact me by telephone at (905) 803-5261 or by fax at (905) 803-5353.

Yours truly,

Mau'veen Dayrell-Johnson
