

July 17-19, 2007 • The Javits Center • New York, NY, USA

BOOTH PACKAGE

Each 9 sq. meters of exhibit space includes

- 3 meters long back hardwall and 3 meters deep side hardwall, the back and sides are 2.4 meters high (all the way to the aisle) with fabric hang bars
- Booth carpeting
- (1) Round pedestal table
- (3) Side chairs
- (4) Spotlights
- (1) Wastebasket
- (1) Identification sign with company name
- Electricity for spotlights only (**additional lighting or power will be the responsibility of the exhibitor and must be ordered in advance**)

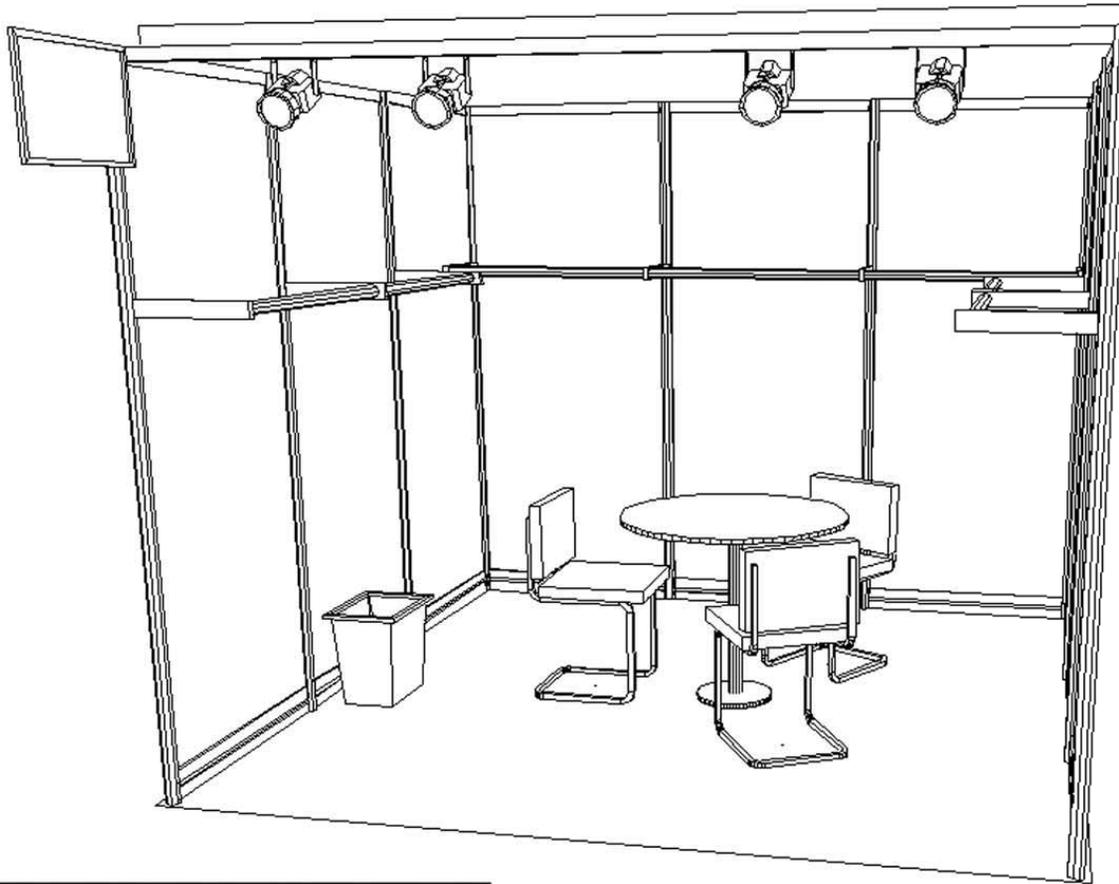

Any other items not listed above should be ordered through Metropolitan Exposition.

PLEASE NOTE: Hardwall panels are reusable so nothing may be nailed, screwed, or pinned through the material. Any repairs needed from damage to the panels will be billed to the responsible exhibitor.
