

This year TexWorld is pleased to offer electronic lead retrieval to its exhibitors. Lead Retrieval can be ordered by completing the attached order forms in advance of the event and faxing to EPIC at 980-233-3800. Lead retrieval scanners will record attendee information by scanning the barcode that appears on their badge. Their contact information is stored quickly on a USB Memory Stick inside your unit.

Lead retrieval is the only way to record attendee information quickly and accurately every time.

Please call EPIC at 980-233-3777 for more information or for any questions.

**PLATINUM TRAKKER™\***

The T3 is the most advanced form of lead retrieval on the market. This package comes with a Laser Scanner, connected to a compact printer with an integrated USB Memory Stick. Since the leads save automatically there is no need to download after the show. Simply return your unit and walk away with a printout in one hand and your Memory Stick in the other. Each unit comes with 20 standard qualifiers listed below. You get the security of a printout along with a disk and no wait! **This unit requires electricity**

FOLLOW-UP QUALIFIERS-Each TRAKKER comes complete with 20 standard follow-up qualifiers. The Standard Action Codes included are:

- |                               |                             |
|-------------------------------|-----------------------------|
| 1. Send Literature            | 11. Recommends              |

### TERMS and CONDITIONS

Customer understands that the rental and use of Lead Retrieval Units and Software grants only a license to use it for the duration of event, and that no equity or ownership is imparted by this rental lease. It is understood that each Lead Retrieval Unit (except battery operated units) requires electrical service in the customer's booth. Customer further understands that he/she is responsible for the proper use and safe guarding of any rental equipment while it is in customer's possession and exhibitor will be liable for any loss or damage to the rental equipment, normal wear and tear excepted, and that damaged rental equipment or rented equipment not returned to the Lead Retrieval Service Desk at the end of event will be billed to it in the amount of \$2,495 for each Platinum Trakker™ and Bronze Trakker™, \$1,495 for each Gold Trakker™, On-The-Move Trakker™ and Silver Trakker™. **Customer agrees to return the unit to EPIC's service desk no later than one hour after show closes.** Equipment left anywhere else is the sole responsibility of the customer. Event Planning International Corporation (EPIC), may at its option, recover abandoned equipment not returned within one hour of show close and, if so, customer agrees to pay a \$100.00 abandonment fee. In no way does this absolve customer from its responsibility of the timely return of equipment. Customers using Pick-up service must remain in the booth until pickup occurs which will be no later than one hour after show closes. There will be a cancellation charge of \$75.00. Orders cancelled within 30 days of event are non-refundable. In the event customer's Lead Retrieval Unit malfunctions, EPIC agrees to replace the equipment (if another unit is available or at EPIC's option may offer a refund not to exceed the rental cost of the unit) but that is the sole extent of its responsibility and liability to customer. Customer waives all claims for injuries or damage against TexWorld and EPIC resulting from any cause in connection with its use of the Lead Retrieval Unit or any other rented equipment during the period of event and agrees to indemnify and hold harmless TexWorld and EPIC for such injuries and damages.
