OF ATTENDEES
PLACE ORDERS
FOR PRODUCTS
OR SERVICES AT
THE CLEAN SHOW®

**Meet over 11,000 buyers
face-to-face**

Exhibit at Clean® 2019 and interact personally with people from across the country and around the world who buy your products. Personal interaction is power! It's something you just can't do anywhere else.

Why Exhibit?

Clean 2017 exceeded Trade Show Executive Magazine's 50 Fastest Growing Trade Shows in net square footage, number of exhibiting companies, and number of attendees. Clean 2017 was also named one of Trade Show News Network's top 100 trade shows in 2017.

Spend quality time with customers

At Clean 2019 you can spend real time with your customers, both on the exhibit floor and in social environments. Answer their questions and solve their problems. It's an opportunity to really get to know them and their business needs.

Meet potential customers

In the normal day-to-day world you can only communicate with a limited number of prospective customers. Only the Clean Show can expose you to thousands of people in one place. And, according to attendee surveys, 65% of attendees are owners or managers of their companies.

Introduce new products and services

There is no better place to introduce a new product than at the world's largest textile care exposition. Representatives of all major trade publications will be there to write about what's new in the industry.

Demonstrate your products

Nothing sells a product better than seeing it in action... how it works. This is that rare opportunity for hands-on demonstrations that show your prospects why your product is the best. Surveys indicate that 75% of Clean Show attendees make a purchase as a result of attending the show.

Don't miss this opportunity. Exhibit space is assigned on a first-come, first-served basis, and space goes quickly. Send in your application now to secure a prime location.
